FROM: R. A. Shoultz, Facility Operations Management, Bldg. 080, X8779 *RS*

SUBJECT: WINTER FREEZE PROTECTION PLAN - RAS-014-93

Environmental Restoration/Facility Operations Management (ER/FOM) has established the attached Winter Freeze Protection Plan per DOE Order 4330.4A and the Rocky Flats Plant Site Wide Freeze Protection Plan, 1-74000-WFPP-001. This Winter Freeze Protection Plan provides guidance for responding to freezing conditions at the Treatment System at Pond A-4, Pond C-2, and the Spray Evaporation System at Pond A-2 and the Landfill Pond, resulting from a failure in the freeze protection system presently in place. This plan covers the actions required to thaw the pipe lines in case of a breakdown in the system.

If you have any questions, please feel free to contact me at the above extension.
